LARRY ADAM BYRD)	

The defendant was sentenced to time served. He has been taking prescribed medications which are being dispensed by the Williamsburg County Jail.

I find that it is necessary for the defendant to continue taking his medications until these medications can be re-prescribed by a licensed medical doctor.

Therefore, it is ordered that the Williamsburg County Jail, by and through the United States Marshals Service, shall give to the defendant upon his discharge a ten (10) day supply of the medication he is currently prescribed.

AND IT IS SO ORDERED.
